[What is the Value Proposition Canvas?]

Value Proposition Canva -- Member / Buyer

Customer Portfolio: WHO

Customer Jobs:

- Functional Jobs:
    - Purchase Cheap Grocery: Purchase groceries and household essentials at affordable prices and in manageable quantities
    - Minimize Grocery Effort: Minimize the time and effort that required for purchase
- Personal/Emotional Jobs:
    - Being Financially Responsible: Feel confident that they are making financially responsible purchasing decisions

Pain:

- Undesired outcomes, problems, characteristics:
    - Over Purchasing: Customers have to purchase more items than required, causing potential waste.
    - Limited Storage Space: Doesn't have enough space for storage.
- Obstacles:
    - Unable to find group: Customer can’t find enough people to bulk purchase together
    - Busy: Doesn't have enough time for purchasing, living too far away, and having other work to do.
    - High Upfront Cost: Not willing or able to purchase a large quantity of goods in one deal.
    - Complicate Manual Coordination: Tracing order, pick-up, sorting, e-transfer.
- Risk--Potential Downside:
    - Unreliable Organizer: Organizer can be delayed, purchase the wrong amount or type of goods, take prepaid but not purchasing.

Gains:

- Required:
    - Receive Correct Goods: Receive correct goods and quantities
- Expected:
    - Purchase Cheaper: Purchase goods in lower price
    - Arrive On Time: Receive the goods within specified time
- Desired:
    - Purchase Required Amount: Saving money without purchasing unnecessary amount
    - No Wasting Time: Convenience and time saving

Value Map: WHAT & WHY

Products and Services:

- Organized group purchase
- Pick-up service
- Coordination support

Pain Relievers

- Sharing Order: Purchase the amount client needs in a bulk, enabling customers to access bulk-purchase savings while purchasing only the required quantities they need.
- Participants Matching: help customers find other customers who want to buy in bulk through the platform
- Local Pick-up: Pick-up locations can be closer than superstore, also save purchasing time.
- Personnel Screening: Platform able to find more trustworthy organizers and members
- Data Management: Centralize order quantities and pick up information, reduce manual coordination

Gain Creators

- Order Verification: Provide itemized order summaries and pickup confirmation to help customers verify their purchases.
- Pick-up Notification: Notice client when the organizer is nearly arriving at the pick-up location.
- Online-order: Order online, only need to pick-up when the organizer finish the grocery.

Value Proposition Canva -- Occasional Organizer

Customer Portfolio: WHO

Customer Jobs:

- Organize Bulk Purchasing: Complete personal shopping efficiently while coordinating shared purchases.

Pains:

- High Upfront Cost: Organizers may need to pay upfront for other members
- Sorting Effort: Sorting and distributing purchases requires additional effort
- Tracking Effort: Pay attention on individual orders and payments is time-consuming
- Scale Pressure: Larger groups increase coordination complexity
- Last Minute Cancellation: Members may cancel or fail to pick up their orders

Gains:

- Potential Rewards: Receive potential compensation for time and transportation costs
- Easy Delivery: Ensure simple delivery experience
- Doing Good Thing: Unexpected gains such as gratitude and respect from other customers

Value Map: WHAT & WHY

Products and Services:

- Coordination Support: Management system and tools for group order; shopping and packing list

Pain Reliever:

- Prepay System: Making sure organizers don’t need to pay upfront for every member.
- Order Management: Automatic order consolidation, Itemized packing lists

- Maximum Group Member: Every group has a maximum, organizers only need to support their assigned group.
- Cancellation Deadline: Setting order deadline and confirmation to prevent last-minute cancellation

Gain Creators:

- Wages: $70 per round.
- Pick-up Notification: Notice other member to pick-up in certain time
-
